DEMOCRATIC MEETINGS!

RALLY, WHITE MEN!

Obedience to the Constitution!—Devotion to the Union!—Sharswood and a pure Judiciary!

All who believe in the supremacy of the Constitution of the United States—respect Law, Order and Authority—maintain, in the language of the lamented Douglas, that ours "is a WHITE MAN'S government, made for white men and their posterity forever"—and all who oppose the monstrous doctrine of military despotism over the Southern States, which makes black men rulers and white men slaves—*all who denounce* the enormous EXTRAVAGANCE of Radical Congressional legislation, and condemn the open, notorious BRIBERY and WHOLESALE CORRUPTION of the Radical State Legislature—are invited to assemble at

Fairfield, Friday evening, Oct. 4;
Littlestown, Saturday evening, Oct 5;
Hunterstown, Monday evening, Oct. 7.

☞Several Speakers will address each meeting.

Republicans who have hitherto voted with their party, and who oppose the attempt of their party leaders to subordinate the Supreme Court of Pennsylvania to partizan purposes, and honestly believe that black men should not be placed on a social and political equality with the whites, are invited.

RALLY, White Freemen!
CALIFORNIA has spoken!
Let PENNSYLVANIA answer!

W. A. DUNCAN,
Chairman Dem. Co. Com.
Sept. 27, 1867.

Thaddeus Stevens on Radical Corruption!

☞"I fear that we shall lose Pennsylvania this next election. I do not think we have earnestness enough in the State to unite and draw out the Republican strength, while the Republican portion of our Legislature has been so openly, notoriously and shamefully corrupt, that all the honest people in the State are disheartened and disgusted."—*Thad. Stevens.*

GIVES IT UP.

The Chairman of the Radical State Committee, Mr. Jordon, *gives up the State! We have this upon reliable authority.* Now, Democrats, let us see how large we can make our majority! Roll up your sleeves, "put your shoulders to the wheel, pray to God for success, and push on the column!" Now, for victory!—*Bedford Gazette.*

DEMOCRATS! CONSERVATIVES!

Friends of the Republic!

Are you ready for election day? Arrange your business so that you can give that day to your country. The fate of our Government hangs trembling in the balance. We have recently gained important advantages over the enemy; advantages which it is our solemn duty to improve. *We have turned the flanks of Radicalism*, in the East and in the West, in Maine and in California; now, *let us charge the centre*, charge over the breastworks of Fanaticism, and plant the standard of Democracy upon the citadel of the foe. "Up, guards, and at them!"

LET not a Democratic voter be left at home on election-day.

THE gains made by the Democrats during the past six months foot up as follows:

Connecticut, Democratic Gain.	12,000
New Hampshire, Democratic Gain.	2,000
Kentucky, Democratic Gain.	20,000
Vermont, Democratic Gain	5,000
California, Democratic Gain	27,000
Montana, Democratic Gain.	6,000
Maine, Democratic Gain.	11,000
Total	83,000

Pennsylvania will add twenty thousand to this column on the second Tuesday in October next.—*Age.*

GET out the full Democratic vote.

THE Radicals of the New York Constitutional Convention have adjourned that body till the 12th of November. They feared to submit the new Constitution, with its negro suffrage provision, to the people this fall. Everywhere the Puritanical, "grand moral idea" propagandists are "standing from under."

SUMNER and Wilson, of Massachusetts, and Kelley, of this State, have introduced bills in Congress, to confer the right to vote and hold office, upon negroes throughout *all* the States of the Union. Should Williams be elected Supreme Judge, he will sustain the constitutionality of such a law. He is pledged to do so.

THE Union Leagues in Virginia are said to be breaking up. The white men are deserting the Leagues, and the negroes begin to object to being made political tools of.

THE Radical Congress has established Negro Suffrage in all the excluded States, and given every one of them into the power of the blacks. Do you endorse such infamy as that?

THE New York *Nation* thinks the Radical party "is carrying too much of the Puritan spirit into politics." It should have added—and too much corruption and negro despotism.

IF every Democratic vote be polled, we will carry the State by 20,000.

A MAN in Washington, who had been suffering from lockjaw for more than three months, was cured by repeated applications of turpentine to his face and back.

A BIG GUN FOR JUDGE SHARSWOOD!

The Greatest Radical Lawyer in Pennsylvania, Declares for the Democratic Nominee.

The great criminal lawyer, DAVID PAUL BROWN, ESQ., of Philadelphia, has just published a pamphlet in which he advocates the election of Judge Sharswood. Mr. Brown is one of the most radical of Radicals, "spits upon" the Democratic platform, but goes for Sharswood as the best man that could be named for Judge of the Supreme Court. In the course of his pamphlet he says:

"The fact of Judge Williams being but forty-six years old, may be the ground of a presumption that he by due effort may live to be an eminent Judge, but we are to rely rather upon *facts* than *fancy*. We have in Judge Sharswood the *assurance* of qualities that in the case of Judge Williams at the best we have only the promise of. Whom then, let me ask, would be the more reasonable choice? It takes twenty years to make a lawyer, and even then he has something to learn. A good judge would require nearly all that time on the score of mere legal competency, and he should necessarily improve during that time, in his aptitude for business, in his self-control, in his temper and demeanor, for all these things enter into the formation of his judicial character. Now, can it be supposed that with the few years that Judge

SPURIOUS TICKETS!

Democrats and Conservatives, be on your guard against the tricks of the negroite leaders. They know that they cannot succeed by fair means, and, hence, will resort to foul. No device will be too low for them to stoop to. A favorite one with them is, SPURIOUS TICKETS!—tickets printed as nearly as possible like the genuine Democratic tickets, with the name of a Radical candidate or two inserted, in the same type. This is done with the hope that Democrats will not notice the trick, and thus unwittingly help Radical candidates.

These imitation tickets will no doubt make their appearance at every poll on election day, and we charge our friends, everywhere, especially at all voting places, TO BE ON THE LOOK-OUT FOR THEM! *EXAMINE EVERY NAME*, and be entirely satisfied that all is right, before placing the ballot in the hands of the inspectors. The Radical leaders, feeling power slipping from under them, have grown perfectly desperate, and they and their manœuvers must be watched with a keen eye, and met with a bold and determined voice.

The following is the genuine Democratic (White Man's) ticket:

JUDICIARY.

Judge of Supreme Court,
GEORGE SHARSWOOD.

COUNTY.

Assembly,
NICHOLAS HELTZEL.
County Commissioner,
JACOB LOTT.
Jury Commissioner,
HENRY J. KUHN.
County Treasurer,
H. D. WATTLES.
Director of the Poor,
MARTIN GETZ.
County Auditor,
MARTIN E. BOLLINGER.

This is the pure, clean Democratic ticket, from top to bottom. Any other name inserted instead of one of these, is SPURIOUS! Democrats, watch the enemy at all points, but especially in the TICKETS!

Election, Next Tuesday!

DEMOCRATS, AWAKE!

Democrats of Adams, don't let the Radicals catch you napping, as they did two years ago. They *hope* the same state of things will occur—that Democratic farmers and mechanics will stay at their work and allow the election to pass without voting,—*but this must not be.* There is now a chance to put negroism down forever, and all Democrats, all white men, should be willing to lose not only a day, but a week, or a month, or a year, to accomplish a work so necessary for the peace, honor and safety of the State and nation. TURN OUT, TO A MAN! Busy or not busy—rain or no rain—GO TO THE POLLS AND VOTE!

ABSENT ON ELECTION DAY.

Not a few Democrats lose their votes by being absent on election day. Numbers are at work outside of their district and find it difficult to be at home on Tuesday. This is a matter that must be attended to at the coming election. No Democrat can afford to absent himself. The issues are too momentous to permit it. Let every Democratic voter make arrangements to be at home in time to vote. Reader, if you know one likely to be absent see him or write to him, and urge upon him the importance of voting. Remember every vote is needed to ensure the victory which a full poll will unquestionably give us.

ALL HAIL, CALIFORNIA!

Democratic Majority 9,604!!

SAN FRANCISCO, Sept. 26, 1867.

Complete returns from all the counties in the State show that the total vote cast for Governor was 92,108, of which Haight (Democrat) received 49,856, Gorham (Radical) 40,252, and Fay (Independent) 2,000. Haight's majority over Gorham is 9,604.

This is truly a glorious revolution in the Golden State. Let the Old Keystone follow her bright example, and repudiate the dark record of Radicalism by a still greater majority. *She can do it*—and we believe she will.

THE GLORIOUS RESULT IN MAINE.

Returns from 440 towns in Maine, comprising nearly all the State, exhibit this gratifying result:

	1866.	1867.
Radical	68,022	56,906
Democratic	40,316	44,702
Radical majority	27,706	11,704
Democratic increase		4,386
Radical loss		11,618
Radical majority 1865		27,706
Radical majority 1867		11,704
Democratic gain		16,003

If the Democrats gain in the same ratio in Pennsylvania, their majority will be overwhelming, and they will far outstrip their brethren in California and Montana. All that is needed to secure this magnificent result is to thoroughly organize in every election district, so as to get out a full Democratic vote. Let us do our share in Adams. Let every Democrat vote.

TOWN CLOCK.

Mr. Wattles has made every effort to have a new Town Clock placed upon the Court-house, but thus far without avail. He has written letter upon letter to manufacturers at Dayton, Ohio, Fort Wayne, Indiana, Norristown, Pa., Boston, Mass., and wherever else it seemed likely he could secure a Clock early. We have seen the correspondence, and *know* that no man could have worked harder than he has to get a Clock up by this time. He is still driving the matter, and will "put it through" as soon as it can possibly be done.

Mr. Wattles has promised to place a Town Clock upon the Court-house, and he is not the man to come short of his word. In November he can get several Clocks, but is determined to put one up before that if there is any way of doing it—and it must be a good one too. Surely such liberality on the part of one of our citizens cannot be entirely unheeded by a fair-minded community.

SURELY the Border Sufferers will not forget their TREE FRIEND, Nicholas Heltzel, at the ballot box on Tuesday next. He worked hard and successfully for their relief in the House, (when McConaughy failed in the Senate,) and will do so again. The interests of our suffering people demand the return of Mr. Heltzel.

LET not a Democratic voter be left at home on election day.

VOTE THE WHOLE TICKET!

SHIRKING THE ISSUE.

If it is not creditable to themselves it is at least amusing to others, to notice how hard Radical speakers and editors labor to evade the real issues of the campaign. They have something to say about everything else but that which is the real matter at stake. They try to pick flaws in the private characters of candidates; they roll themselves round in their own kind of patriotism, and get up their old howl of "disloyalty," "treason," &c.; they prate about everything but the real questions before the people, and in every manner, form and shape, attempt to divert public attention from their own acts and purposes. Can any reader point us to a sentence in any of their papers, that DENIES *that it is the intention of that party to* FORCE *negro suffrage* upon the people of this State?—We have charged it upon them time and again, and the only answer they make is "treason," "tariff," or something else equally as far from the question.

They have FORCED *negro suffrage* upon every State in the South.

They have made negroes voters in *every* Territory of the Union.

They have placed the ballot in the hands of the negroes of the District of Columbia.

They voted for negro suffrage in Connecticut.

They tried to make negroes voters in Iowa.

They will vote in favor of negro suffrage in Ohio on the 2d Tuesday of October next.

And in Pennsylvania they have pledged their candidate to make his decisions in accordance with the wishes of the party electing him, which will be a decision affirming that Sumner's Universal Suffrage bill gives NEGROES THE RIGHT TO VOTE IN PENNSYLVANIA.

If it was not for this purpose why was Williams pledged to make his decisions in accordance with the wishes of his party?

If they are not in favor of negro suffrage, WHY DON'T THEY SAY SO?

If they are opposed to making negroes voters and placing them upon an equality with the white men of the country, why did they not denounce it when it was being done in the Territories, which belong as much to Pennsylvania as to any other State?

The simple fact is this: THEY ARE IN FAVOR OF IT, BUT AFRAID TO SAY SO; THEY MEAN TO FORCE IT UPON OUR PEOPLE, BUT FEAR TO ACKNOWLEDGE IT.

White men of the State, white men of Adams county, are you willing to support a party that has not decency enough to deny that they would make negroes your equals, or not courage enough to acknowledge that this is what they are laboring for? If negro suffrage is not the great end and aim of the party that is asking your support for Williams, Jordy, Shively, Sheads, and the balance of their ticket, let them produce an article from one of their newspapers, a speech from one of their speakers, a resolution from one of their platforms, or anything from any leader belonging to them, denying it, if they can.

ANOTHER NIGGER IN THE LADIES' CAR!

The editor of the Lancaster *Intelligencer* says, that coming from Philadelphia, recently, the train he was on stopped at Downington. A huge, greasy negro stepped on the platform, carpet bag in hand.

"How far are you going?" asked the conductor.

"To Penningtonville," replied the negro, in a gruff and surly voice.

"Front car," said the conductor, pointing him to it.

Did Sambo go where he was directed? Not he. He knew that under the law passed by his friends the conductor could be fined and imprisoned if he attempted to interfere with his sable will—so with an insolent leer, he deliberately walked into the ladies' car and planted himself in a seat right in the middle of it.

The editor called the attention of the conductor to the manner in which the negro obeyed his instruction. "Oh!" said he, "that is the way it goes now. The negroes have superior rights and they know it. Had he been a white man he would have felt bound to take the way car, but being a negro he goes where he pleases, and I dare not interfere with him."

That is the way the negro car bill works. A white man cannot enter the ladies' car unless he has a lady with him. Any dirty negro, drunk or sober, can go where he pleases and seat himself by the side of any lady he may fancy. In the House and the Senate the bill was passed by a strict party vote. Gov. Geary signed it, and it is the law.

We ask white men to reflect seriously upon the tendency of public events. This bill is only a sample of what future legislation will be, unless the Radicals are promptly and effectually checked at the coming elections.

If *continued in power, may they not* pass laws to *compel* the admission of negro children into the white schools, and to fine and punish white ladies if they reject the marriage proposals of ignorant and filthy blacks? The Radical leaders say there must be *social* as well *political equality*. Keep them in office, and they will force more of their odious measures upon you. Voters, the time to act is here. Say on *Tuesday next* whether, *or not*, you want additional negro legislation. The Democratic ticket is opposed to it—the Radical ticket in favor of it. There is no middle ground.

RADICALS seem to be especially anxious to "trade" votes for the benefit of their candidate for Commissioner, Peter Shively. They would very readily sacrifice their whole ticket to secure his election, and it is said that nearly or quite all the money spent is to that end. The reason for this is obvious. Lacking party strength to elect anybody, but having somehow succeeded in getting a Commissioner two years ago, they need only Shively to give them a majority in the Board—and, hence, the control of county affairs. This every Democrat should see, as clearly as Radicals do—and no Democrat should leave a stone unturned to prevent Shively's election.

Democrats, Conservatives, open your eyes to the full meaning of this Radical offer to "trade," and rally in solid column for that sound Democrat, and honest man, JACOB LOTT!

THE more we hear of Jordy, the Radical candidate for the Legislature, the more are we convinced that his election would be a misfortune. Surely the Convention which nominated him could not have known his standing at home; because if they had, hopeless as they no doubt conceived their chances, they still would not willingly have insulted the people by offering *such* a man for their suffrages.

There is but one safe course left in regard to the Legislature, and that is to elect Nicholas Heltzel. The *honor* of the county demands it.

IN Adams county, State taxation has been increased nearly one hundred per cent. by the Radicals who compose the Board of Revenue Commissioners. A beautiful set of men they are to boast of the reduction of the State debt.

TUESDAY NEXT! TUESDAY NEXT!

THE EXTRAVAGANCE OF THE REPUBLICAN PARTY.

Secretary McCulloch lately appointed a committee to examine into the affairs of the United States Treasury. They have reported and announced that since the Republican party took possession of the Government on the 4th of March, 1861, six years and four months ago, the amount of national funds that have passed through the Treasurer's hands is FOURTEEN THOUSAND AND FIVE HUNDRED MILLIONS OF DOLLARS ($14,500,000,000)!

The entire valuation of the whole United States and Territories by the census of 1860 was but little over sixteen thousand millions. Thus we have it that during the last six years and four months of Radical rule funds to the amount of more than six-sevenths of the entire property of the United States and Territories have been wrung from the pockets of the people and passed through the Treasury of the United States! Look at these figures in another form:

Valuation of the United States and Territories, 1860	$16,196,316,068
Spent and squandered by Congress since March 4, 1861	14,500,000,000
Unexpended balance	$1,695,316,068

Now contrast this frightful exhibit with the total amount of funds that passed through the United States Treasury from the formation of the Government in 1789 to the hour when the Republican party took possession of it on March 4, 1861—a period of seventy-two years. That amount was just two thousand, one hundred and fifty-one millions, ninety-eight thousand, three hundred and twenty-seven dollars ($2,151,098,327.)

Republican expenditures in six years and four months	$11,500,000,000
Democratic expenditures in seventy-two years	2,151,098,327

Thus the Republicans have expended, in six years and four months, seven times as much money as the Democrats spent in seventy-two years! And yet, during these seventy-two years, the Democratic party carried the country successfully through two great wars, one with Great Britain, and the other with Mexico, besides through innumerable Indian wars.

Look at these figures in another light! The average annual expenditures of the Republican party, for the six years and four months it has been in power, has been two thousand three hundred millions ($2,300,000,000.)

The average annual expenditures for seventy-two years previous was but thirty millions ($30,000,000.) Thus the Government under the Radical rule, has cost on the average seventy times as much as it did under the Democratic rule.

The figures are not made up for the legitimate work of crushing the rebellion alone. They are made up of the swindles of contractors, the bribes and steals of those who have run the machine, the Freedmen's Bureau, and military expenses of keeping white men down and elevating the negroes up. For instance, our taxes last year were, all told, $580,000,000. Only $150,000,000 of this was for interest on the entire war debt of $2,600,000,000. What was the other $300,000,000 for? Certainly not to "crush out the wicked rebellion," for there was none.—$300,000,000 was for Radical extravagance—for Democrats run the Government for seventy-two years for only $30,000,000 per annum. Cut this out, tax-payers, and study it over at your leisure.—*St. Paul (Min.) Pioneer.*

FARMER LOTT.

Jacob Lott, the Democratic candidate for County Commissioner, is one of the most upright and intelligent FARMERS Adams county can boast of—and because he is such, his election would be eminently fitting. The farmers are by far the heaviest tax-payers, and their interests will certainly be more carefully guarded by a farmer than any other. This is natural—has always been so, and always will be so. Peter Shively, Mr. Lott's opponent, was nominated by the Radical leaders solely because it was thought his position as innkeeper would make him some extra votes. The managers, however, overlooked the fact that the office of Commissioner has almost exclusively been a *farmer's* office, and thus ignored the claims of that large and respectable class of citizens.

What do the farmers think of this? Slighted as they have been in the Radical nomination, is it not due to their own interest and sense of manhood, that they vote for their honest and intelligent fellow-farmer, Jacob Lott? Farmers of Adams, this is a matter of much importance to *you*. Think and act upon it.

LET the bondholders in Adams county remember that the decision of Judge Sharswood is calculated to render their investment secure. If one contract to pay a debt in coin can be legally discharged by a tender of paper currency so may all others. Every attack upon the decision of Judge Sharswood is an argument in favor of making both the interest and the principal of the government bonds payable in greenbacks. If the bondholders wish to make sure of having the contract to pay in coin declared valid, they should vote for George Sharswood.

NOT a soldier is needed in the South for any honest purpose, and yet the Radicals expend forty millions per year at the cost of the War Department in that section. This is one of the taxes fastened upon the labor and industry of the nation by the Radical party. The Williamsport convention endorsed this needless use of the public money, and if the nominee of that body is elected, the march of corruption and profligacy will be still more rapid. Those in favor of retrenchment, economy and reform must act with the Democratic party this fall.

THE Radical meetings throughout the county are very small and spiritless. We have letters from different points to this effect, which would be published but for want of room. The fact is, however, as we have stated it. Radical voters are evidently growing tired of negroism and taxation. Surely, it is high time.

SAMUEL SHELLY is the nominee of the Radical party for Director of the Poor. People who know the man wonder at this—and it is wonderful. It can be accounted for only in one way—that he wanted the nomination, and nobody else did. Certainly it was "not fit to be made." Vote for Martin Getz, a man of sound sense and first-rate business ability.

Vote for George Sharswood!
Vote for Nicholas Heltzel!
Vote for Jacob Lott!
Vote for Henry J. Kuhn!
Vote for H. D. Wattles!
Vote for Martin Getz!
Vote for Martin E. Bollinger!

All honest and capable, and in favor of white men ruling the country. Vote the WHOLE ticket, and NOTHING BUT THE TICKET!

A GREAT feature of the Republican mass meetings in the Western Reserve of Ohio is the constant presence of negroes in the processions. They march in delegations, and carry banners with inscriptions demanding the ballot and entire political and social equality. The fanatics of that section do not dodge the real issues, as they do in Pennsylvania

GET out every Democratic vote.

CHEERING NEWS.

At no period since the commencement of the war has there been so confident a feeling among Democrats as prevails at this time. We scarcely meet a person who is conversant with the politics of the State, but is assured that Judge Sharswood will be elected by a large majority. Our information from the East is of uniform tenor, and all may be summed up in a few words: The Democrats are sure of carrying Pennsylvania. At Washington, where politics are more thoroughly understood than in any other locality, the same belief prevails among all classes, the Radicals conceding it among themselves, though of course not expressing it publicly.—The following dispatches confirm what we say:

TO THE WORLD.

Washington, Sept. 18.

Quite a number of Pennsylvania politicians are in town to-day, and they all agree on the certainty of a Democratic victory in the State at the October election. Philadelphia city will assuredly go Democratic. The Radical municipal ticket is obnoxious to every decent man in the corporate limits, while that nominated by the Conservatives is composed of soldiers, and unusually popular among the opposition.

TO THE PITTSBURGH POST.

Ex-Senator Cowan left here last night for Pennsylvania, intending to make a few speeches in support of the Democratic ticket in that State. Most cheering accounts come from Pennsylvania, of the effective work silently in progress, for the success of the Democratic ticket. Those who have recently traversed the State, assert that the Republicans will be defeated by from fifteen to twenty thousand votes.

Colonel Jordan, the Chairman of the Radical State Committee, said at the recent Radical meeting at Horticultural Hall, Philadelphia, that, "from reports made to him, he was apprehensive the Democratic party would carry the city of Philadelphia." What he must think of the State, when the hitherto Radical city of Philadelphia is conceded to the Democracy, can be readily imagined?

We assure our friends that in our honest belief matters look brighter for the Democratic cause than they have in many years. The glorious results in California, Connecticut, Maine, Montana, Maryland and Kentucky, show what may be done by zealous effort, and should inspire them with renewed vigor. *What we would impress upon each and every one of them is the importance of getting out a full Democratic vote.* With our entire strength polled, there is no question of success. The only danger lies in the apprehension that many, imagining the election of little importance, may neglect to turn out, and let the campaign go by default. We say again, and we wish that we could sound it into the ears of every friend of our principles throughout the Commonwealth, that it *is* an important election—that upon its issue depend results that strike at our most vital interests. It will settle the question of our jurisprudence for years to come, and may be the means of either handing us over like helpless infants into the chains of Radical bondage, or relieve us forever from the yoke sought to be imposed upon us. Let, then, every Conservative citizen be on hand upon the 8th of October,—not himself alone, but his family, friends and neighbors. It is all essential that no vote shall be lost. Argument is of no further avail; henceforth the battle cry must be, "a full Democratic vote and certain victory."—*Erie Observer.*

THE CALIFORNIA LEGISLATURE.

Several prominent Radical journals have given currency to a false report that their party will have *two* majority on joint ballot in the California Legislature, and all the small fry Radical papers are going into ecstacies over the rumor. The actual situation is as follows: 20 Senators (14 Republicans and 6 Democrats) hold over, and 20 (7 Republicans and 13 Democrats) have been elected, making the Senate stand: 21 Republicans, 19 Democrats. To the House, the Republicans elect 30 members, and the Democrats 50. The total, on joint ballot, therefore, is—Republicans, 51; Democrats, 69; making a Democratic majority on joint ballot of 18. That is enough for all practical purposes, and ensures the election of a sound constitutional Democrat to the United States Senate in place of Conness. What reliance can be put on anything Radical newspapers say, when they lie so barefacedly about such a matter?

WHEN Cameron, last winter, secured his election to the Senate over Curtin and others, he was spoken of by more than two-thirds of the Radical journals of the State, "as one of the most corrupt men in the Commonwealth, who disgraced and demoralized every party whose cause he pretended to espouse;" and they asserted in plain words that he bought his election with greenbacks. Now, as Williams is the fast friend, the *protege* of Cameron, and owes his nomination to him, how can the friends of Curtin and others, who were candidates for U. S. Senator last winter, and who, owing to Cameron's great wealth and free use of greenbacks, were so unmercifully slaughtered, support him for Judge of the Supreme Court? By doing so they strengthen Cameron's hands and augment his power, which power he will use against them with relentless vigor.

JACOB LOTT was a heavy sufferer by the battle here. He lost in stock, his growing crops were ruined, and his fencing was destroyed. He was ilty able to bear this heavy stroke, but by good house-keeping has weathered the storm. There are hundreds of others in the county who suffered as Mr. Lott did. They can appreciate what he had to go through. Shively, a landlord, and not a farmer, sustained no such losses—may, indeed, for what we know, have made money out of the battle. Certainly some landlords did. Border sufferers, if a Radical State Legislature will not help you, help yourselves by helping each other. To vote for Jacob Lott will be to assist a heavy sufferer and most worthy man.

WE are told that Shively was in town, the other day, asking Democrats to vote for him—men upon whom he has no shadow of claim—unless it be that they stopped at his tavern in Fairfield, and spent their money with him. One of those thus approached, says he thinks it "heavy" that Shively should expect them to drink his whiskey, and swallow the nigger too! There is force in the point.

BLACK LOYALTY.—On the next page will be found a poem under the above title from Private Miles O'Reilly. Do not fail to read it. Miles was an intimate friend of Lincoln, and wrote and read the poem at the laying of the corner-stone of the soldiers' national monument at Gettysburg in 1865.

IT is said that a delegation of prominent Radical politicians lately waited on General Grant, and urged him to act the part of a dictator upon the impeachment of President Johnson. They went away with a flea in their ears, Grant informing them that he regarded their designs as revolutionary in their character.

ANOTHER BOMB-SHELL.

DAVID PAUL BROWN, Esq., the oldest and most distinguished lawyer at the Philadelphia Bar, and a Republican or Radical in politics, has written a strong letter *in favor of the election of Judge Sharswood*, the Democratic nominee for the Supreme Bench, *and the election of Judge Ludlow*, the Democratic nominee for Judge of the Court of Common Pleas of Philadelphia. He takes this ground against his own party candidates because of the superior qualifications of Judges Sharswood and Ludlow. He is an old lawyer, and feels how important it is to have the very best men on the Bench.

Mr. Brown's letter has caused great consternation in Radical circles, and no wonder. Such destructive bomb-shells are not every day thrown into a party's ranks by its own friends.

WHO ARE DESERTERS?

Congress, at the late session, passed this important bill, which has become a law, having been approved on the 16th of July last:

Be it enacted, &c., That no soldier or sailor shall be taken or held to be a deserter from the army or navy who faithfully served according to his enlistment until the 19th day of April, 1865, and who, without proper authority or leave first obtained, did quit his command, or refuse to serve after said date; but nothing herein contained shall operate as a remission of any forfeiture incurred by any such soldier or sailor of his pay, bounty or pension, or other allowance, but this act shall be construed solely as a removal of any disability such soldier or sailor may have incurred by the loss of his citizenship in consequence of his desertion.

Where parties marked "deserters," can prove that they served in the army or navy until the 19th of April, 1865, they will be hereafter entitled to the right to vote.

NEGRO SUPREMACY.

From the Chicago Times.

It is a rather shrewd plan that the Wendell Phillips people have of seating a negro in the next Presidency. Their demand is simply that a negro shall be put upon the Republican ticket for the Vice Presidency, but their candidate for the first office is Thad. Stevens, whose life, they calculate, will not long hold out. We are not speaking in jest. Such is their programme, and they are men who have led the Republican party ever since it canonized old John Brown.—They are not less intent now upon carrying negro equality to its highest logical results than they were, four years ago, upon making negro emancipation the prime object of the war, and this is the light in which sober people in the Republican party must look at the matter.—Senator Sumner announced in the Senate at the last session, with an air of triumph and satisfaction, that Senators might prepare to welcome negroes as their associates in Senatorial chairs; and, if negroes occupy Senatorial chairs, why not Presidential and Vice-Presidential chairs also?

Such is the complexion. The question of whether the white people of this country will share the government, from the lowest to the highest offices, with a race so naturally repugnant to them that they revolt at social assimilation with it, is to-day the grand issue between the political parties. It is the grand question upon which men will vote at the coming elections. Let no voter close his eyes to this palpable fact.

THE negroes and their allies, the Radical Republicans, had a mass meeting at West Chester on Monday, the 23d inst. Fred. Douglass was the orator of the day. He urged the election of Judge Williams, on the ground that it was necessary that our Supreme Court should be in harmony with Congress, in order that the Sumner Negro Equality bill might be effectively enforced in Pennsylvania. The people of this State have had fair warning. If they elect Williams, they will openly invite the Radicals in Congress to force negro suffrage and negro equality upon us. That it will be done, in case of his election, we have not a shadow of doubt. Let white men reflect seriously upon this matter when they go to vote, and let every Conservative vote be brought to the polls.

DEMOCRATS, go to the polls EARLY, and stay all day. See that the aged and infirm get there. Leave not a vote unpolled. Give one day to the glorious work of redeeming your country from negro domination, and you will never regret it.

THE election of Shively would place the Court-house in the hands of the negroites. White men of the county, do you want your Hall of Justice given to every negro spouter that may choose to come this way?

THE Democracy of Massachusetts have nominated for Governor JOHN QUINCY ADAMS, son of EX PRESIDENT JOHN QUINCY ADAMS. The cause of the white man is "looking up" even in that heretofore dark State.

DEMOCRATS, bear in mind that though Radical candidates are clever now, it is not long since they denounced you as "rebels" and "traitors," worthy of the halter!

HENRY J. KUHN, our candidate for Jury Commissioner, is one of the best men in the county. He will certainly be elected, but vote for him anyhow.

MARTIN E. BOLLINGER, the Democratic candidate for Auditor, has few superiors for the position. He deserves, with the rest of the ticket, to be handsomely elected.

IN New York, the Democrats are keenly alive to the importance of the approaching election in that State. The *World* of Saturday says:

"Never before in the history of State politics, so soon after the call for the State Convention was issued, have the Democrats of the interior gone to work with that singleness of purpose and determined assiduity that they have this fall. Our advices from nearly every quarter of the State are to the effect that the Democrats are closing up their ranks by thorough and efficient organization, by the sweeping away of local prejudices and jealousies, and by unity of purpose and action for the struggle that is to ensue in November."

WHITE workingmen who wish negroes to labor beside them in manufactories and workshops, who desire negroes to sit by their wives in the cars, and their children in the public schools, have only to vote the Radical ticket and they will be accommodated. The party in power are pledged to all these negro movements. White men must protect their own interests from negro antagonism.

THE Radical press have been driven to a very queer shift to make capital for their candidate for the Supreme Court. They are publishing such of his decisions as were approved by the Supreme Court—neglecting, however, to allude to those which were reversed and set aside.

DEMOCRATS, remember that the election takes place NEXT TUESDAY.

Democratic Mass Meeting
AT LITTLESTOWN!

Special Train from Gettysburg.

A Special Train of Cars will leave Gettysburg, TO-MORROW (SATURDAY) EVENING, at 6 o'clock, to convey passengers to the Democratic Mass Meeting at Littlestown. Tickets 75 cents for the round trip. The ride will be a pleasant one, and the meeting at Littlestown a glorious uprising of the people. Democrats of town and country, join in the GRAND RALLY!

The immense importance of next Tuesday's election induces us to give our space this week almost entirely to matter bearing upon it. This excludes, among other articles, a list of the premiums awarded at the late Fair here, as well as editorial remarks. Amends will be made in our next, however, for all omissions.

Property Sales.—Hezekiah Latshaw, some time ago, sold to Jacob F. Lower, a store house in New Salem and twelve acres of land near by, for $2,500 cash.

Mr. Latshaw recently sold to George Walter, 44 acres of land, for $1,584—$36 per acre.

Mr. Latshaw has just purchased, from A. Little, a house and three lots of ground in New Salem, for $1,800. It is Mr. L's. intention to erect two new dwellings on the lots next summer.

Jacob B. Millar has sold his farm, in Straban township, to Abraham Bushey—106 acres, for $4,000.

Joseph A. Wierman and John Day, Executor and Administrator of Nicholas Wierman and Susan Wierman, deceased, have sold the farm of said decedents, in Huntington township, to Jacob B. Millar—155 acres, at $57 25 per acre.

Peter Millar has sold his farm, in Tyrone township, to Jacob Hartman—97 acres, for $5,000.

Death from Somnambulism.—One night week before last, Mr. John Camp, of Philadelphia, formerly residing near New Oxford, rose from his bed asleep, walked to a window, from which he fell to the pavement below, injuring himself internally and causing death immediately. His remains were taken to Hanover on Thursday, 19th ult., and conveyed to the burial ground at the Conewago Chapel and interred. His age was about 35 years.

Drug Store in New Oxford.—Passing through New Oxford, the other day, we stopped in a moment at the new Drug Store of D. M. Miller, on the corner of the square. We were really surprised to see everything so neatly and tastefully arranged. It is a model in its way.—Dan. evidently knows all about running a first class Drug Store.

Prof. Harry—During the Fair, last week, we had the pleasure of a visit from our genial old friend, Prof. J. B. Harry, of musical fame. The Professor is now operating, and has been for several years, in Cumberland county, where he keeps a number of very large classes going the year round. His power as a teacher of vocal music is really extraordinary—his success, of course, equally so. Few possess the same gift. This is acknowledged by our people generally, among whom he is well and widely known, having taught several years in different parts of the county. It is to be hoped that when he gets through in Cumberland, he will return, to give the rising generation among us an opportunity of developing their vocal powers. He will be heartily welcomed.

Sub-Soil Plough.—Among the agricultural machinery exhibited at the recent Fair here, we noticed a Sub-Soil Plough, or rather Sub-Soil attachment to an ordinary plough, which struck us very favorably. On inquiry, we found it to belong to J. Koller and D. K. Stetler, of Mechanicsburg, Cumberland county, Pa. The implement was tried in a neighboring field, in the presence of hundreds of persons, and gave general satisfaction. It seems to us to be the very thing for all clay sub-soils, and therefore excellently adapted to almost all portions of Adams county. We hope the county fight will be purchased, soon, by some one who has enterprise and capital enough to go into the manufacture of the article. Persons wishing to purchase county or township rights, can do so by addressing either of the gentlemen named, at Mechanicsburg.

Theodore C. Norris, having *enlarged his store room*, has now on hand, at *low prices*, anything in the gentlemen's and boys' line. He has just returned from the City with a large stock of fashionable Hats & Caps, Boots & Shoes, and the largest and best selected stock of *ready-made Clothing* ever before in the county.—Also, he has purchased from the Woolen Factory at Chambersburg, *Cassimeres in the Piece. Persons preferring the goods to ready-made clothing*, can be accommodated. The *Chambersburg Cassimeres* do not require any recommending—they recommend themselves. Persons in want of anything in the above line, will do well by giving him a call. 1t

New Grocery.—Messrs. John Cress and Lieut. J. W. Cress have purchased the Grocery establishment of John M. Swan, on the northwest corner of the Diamond, and will continue the business under the firm name of J. Cress & Son. They will keep on hand a full stock of Groceries, of all grades and prices, as well as Confections, Notions, and "a thousand and one" other things, "too numerous to mention." They ask calls from everybody, convinced that their good goods and low prices will please. They count it no trouble to show what they have to sell, as they believe that business men should make every effort to satisfy their customers. Drop in and see. 1t

Thanks.—Rev. Dr. McCloskey, of Mount St. Mary's College, has our thanks for a *variety of very fine vegetables*, part of the creditable display contributed by that institution to our recent Fair.

Fiftieth Year.—The COMPILER to-day enters upon its fiftieth year. Like many other good things, it grows better with age.

Sweet Potato.—Mr. George A. Corwell, residing on the top of the mountain, sends us a sweet potato weighing two and three-quarter pounds! Can the rich lands beat it?

Can't Sleep Nights.—A hacking cough, a sore throat, difficulty of breathing, are the results of hard colds. Coe's Cough Balsam allays the irritation, gives ease and rest to the patient, and effects a permanent cure of all lung and pulmonary complaints.

A Wonder for the Workshop.—Every Mechanic should have ready at hand a box of *Grace's Celebrated Salve*, as it is a ready remedy for accidents, such as Cuts, Bruises, Contused Wounds, Burns, Scalds, Poisoned Skin, and Eruptions, caused by operations in the factory, dye-house, or printing office. Only 25 cents a box.

DEMOCRATS, be on the lookout for SPURIOUS TICKETS!

THE PEOPLE WAKING UP!

They are Tired of Negroism and Taxation!

DEMOCRATIC MEETINGS.

GETTYSBURG.—A large Democratic meeting was held in the Court-house last evening week, which was very ably addressed by John W. Bittenger and John Gibson, Esqs., of York. The officers were:

President, Col. J. J. Kuhn.

Vice Presidents, H. J. Myers, Esq., Wm. Ross, George Swope, Esq., John L. Jenkins, Capt. H. Chritzman, Francis J. Wilson, James H. Marshall, Esq., J. B. Adams, Jacob E. Myers, George Kalbfleisch, George Geyer, Jacob Troxel, A. J. Bowers, Jacob Benner, Edward Menchey, Moses Hartman, Esq., W. E. Biddle.

Secretaries, Dr. E. F. Shorb, Lieut. J. C. Pittenturf, Capt. S. H. Eicholtz, G. B. Yantis, Dr. W. J. McClure, Calvin P. Krise, A. Flemming White, Daniel Biesecker.

Adjourned with cheers for the cause and the ticket.

MOUNT ROCK.—There was a handsome turn-out at Mount Rock on Saturday evening. Organized as follows:

President, Peter Smith, Esq.

Vice Presidents, Capt. Thomas Brady, John Lilly, Matthew Timmins, Levi Stonesifer, John Reed, Francis Pohlman, Daniel Geiselman, Esq., Capt. J. E. Miller, John L. Jenkins, Levi Lawrence, Conrad Bender, John Rickrode.

Secretaries, Daniel Lawrence, Adam Noel, *Samuel Geiselman*, Michael Little, Phin S. Smith, Anthony Little.

E. B. Buehler, Esq., addressed the meeting in a forcible manner upon the leading issues of the day, and H. J. Stahle concluded. Adjourned amidst cheers, of course—Mount Rock knows how to do that, as well as to vote.

NEW SALEM.—The Democracy of Franklin assembled in goodly numbers at the house of Samuel Eicholtz, in New Salem, on Saturday evening, and organized by selecting the following officers:

President, Samuel Hart.

Vice Presidents, Henry Reigle, Jacob B. Hartman, John Eicholtz, Jeremiah McGaughy, Jacob Eicholtz, James Ross.

Secretaries, J. Wesley Lott, Adam Deardorff, Lewis Carbaugh, George Beck, Jonathan Wisler, James Reigle, Adam Henry.

Ably addressed by Wm. A. Duncan, Esq., and adjourned amidst enthusiasm.

ABBOTTSTOWN.—The meeting at Francis J. Wilson's, in Abbottstown, on Monday evening, was well attended, and an excellent spirit prevailed. Those present felt, as all Democrats should feel, that this is a time to *vote* and *work* as though our existence as a nation and the purity of our blood as a race, depended upon a single ballot. That's the way to look at the matter *now*, and it afforded us great pleasure to see the Democracy of the lower end to a man take so correct a view of it. With such a spirit prevailing throughout the county and State, we are bound to win in both.

The meeting, called to order by Joseph Wolf, organized as follows:

President, Jesse Bucher.

Vice Presidents, Anthony Thoman, John Mollison, Jacob McClain, Henry Mayer, Frederick Wolf, Henry Miller, Esq., Samuel Miller, Lieut. W. C. Beck, Samuel Naugle.

Secretaries, Samuel A. Wertz, George Mayer, W. B. Myers, A. J. Bowers, Charles Brenizer.

Dr. W. J. McClure made a sound and telling speech, and was followed by H. J. Stahle. Adjourned with three big cheers.

ARENDTSVILLE.—The Democratic meeting at Arendtsville, on Tuesday evening, notwithstanding the busy season, was well attended. The officers were:

President, Thomas F. Grammer.

Vice Presidents, Samuel A. Swope, Jacob Hartman, Moses Raffensperger, Abraham Hart, Wm. C. Lott, Capt. Jacob H. Plank, Benjamin Wisler, Lafayette Brenizer, Jerome Keller, John Schlosser, Philip Cutshall, Jacob Eckert, Joseph Fisher, Elijah Wisler.

Secretaries, Capt. Samuel H. Eicholtz, Jonas Orner, John H. Stahle, Jesse B. Spahr, Samuel Burrell, Abraham Hershey, Samuel R. Lady.

The meeting was ably and forcibly addressed by W. A. Duncan, Esq.; Jacob Lott also made a few pertinent remarks. The right spirit prevailed.

CONRAD WAGNER'S.—A grand Democratic rally came off at Conrad Wagner's, in Mountpleasant township, on Wednesday evening. The turn-out was large beyond all expectation, and the most gratifying degree of enthusiasm prevailed. If old Mountpleasant does not do a glorious work on Tuesday next, we shall be greatly disappointed. The meeting organized by the selection of the following officers:

President, Wm. H. Lott, Esq.

Vice Presidents, Lewis Will, Wm. A. McSherry, Jacob Lawrence, J. E. Smith, Esq., John Socks, Adam Smith, Francis M. Buddy, John McMaster, Samuel J. Shorb, Bernard Noel, David Sneeringer, Wm. Adams, John Brandt.

Secretaries, Joseph Spangler, Albert H Parr, Joseph Kuhn, Daniel Forney, Henry J. Sneeringer, Samuel Hilt, Noah J. Blevenour, Dr. T. O. Kinzer, Henry Kuhn, James A. Biehl, A. X. Noel.

J. C. Neely, Esq., addressed the meeting in a forcible and effective manner—was followed by Jacob Klunk, Esq., in a short but sound and well-timed speech—and H. J. Stahle concluded, when the meeting adjourned with rousing cheers for the cause and the ticket.

NEGROES IN THE PUBLIC SCHOOLS.

In certain districts of Ohio the Radicals have recently forced negroes into the public schools. An attempt was made to do the same thing in Philadelphia last winter. The party which gives the negro superior privileges on the railroads in this State will not rest until they make a similar distinction in favor of negro children in the public schools. They can only be checked in their fanaticism by a defeat at the polls. Let every white man be sure that he votes, and that he votes for Judge Sharswood and the WHOLE Democratic ticket.

BEN WADE GIVES UP OHIO.

The profane blusterer, Ben Wade, has been stumping it all over Ohio. He gives up the State in despair. The Cleveland *Plaindealer* says:

FRIDAY AFTERNOON, OCT. 4, 1867.

"BLACK LOYALTY."

Let the Truth of History be Preserved.

Nigh a million of lives we have spent
And three billions of dollars or more,
That each fetter in twain should be rent
And the slave born be heard never more;
Full six years we have given to the black,
And the thing was undoubtedly right—
Now suppose, just to alter the tack,
We devote half an hour to the white.

When the South in its hour of mad pride
At Fort Sumter let drive the first shot,
Neck and heels one poor Sambo was tied,
And the North held one end of the knot;
But our hold, as is got the sound,
For both hands we required in the fight—
And the war for the black was then found
Quite a tough job of work for the white.

Well, we fought—aye, for four years we fought,
Pouring out lavish treasure and life—
Did the black then arise as in ought,
Cleaving northward with torch and with knife?
All his masters were far from his track
Under Johnson and Lee in the fight;
There was nothing to hold the black back
From assisting his champion, the white.

Did he aid us when bleeding we stood
To chase from him slavery's dreams,
Or, to use not its clothing, and food,
Harness, powder, equipments and teams?
Well! I know that in one single State
A recruit would have ended the fight;
Who more of their "loyalty" prate,
For the black less were worse than the white.

For white rebels came with a cheer,
Their bayonets salient and aglow,
While the black rebels slunk in the rear,
Assisting (and freely) our foe:
Phillips, Sumner, and men of that school,
May click-clatter from morning till night—
But if black or white rebels must rule,
Then, by Heaven! count me in for the white.

I would sicken a dog, this vile cant
That we hear of "black loyalty" now—
And notice the twaddlers, who rant
On the subject, were far from the row;
But since gold has been Lee's latest gun,
And since Johnson stacked arms after fight,
We are told "by black valor we won"—
Its all humbug to Laurel the white!

To the black rebel glory and power,
To white rebel chains and disgrace!
Oh! madness, and worse, rules the hour,
We are false to faith, wisdom and race!
To my heart with you Longstreet and Hill,
Johnson, Lee—every man in the plight—
You were rebels, and bad ones, but still,
Yeomen: my misfortune—you're white!

MILES O'REILLY.

ELECTION, NEXT TUESDAY

DIABOLICAL OUTRAGE BY A NEGRO.

On last Friday evening a negro, named John Brown, made an assault upon Miss Nora Feller, daughter of Capt. Jos. Feller, of Bedford. It was just dusk, and Miss Feller was returning from a visit to the country. The negro seized her, at an unfrequented spot, threw her to the ground, tried to gag her, drew a knife and swore he would cut her heart out unless she submitted, and that he would shoot her if she said a word about the matter.—Though terribly alarmed, she managed to keep her assailant at bay for a short time, when the unexpected appearance of a couple of white men caused him to flee. Miss Feller was much bruised and was cut and scratched about the face and neck. The negro has not been arrested, and a reward is offered for him. These outrages are becoming alarmingly frequent in this State, and we have no doubt they are partly owing to the advocacy of negro equality.

NEGROES IN SCHOOLS.

We learn that negro children are now admitted into the public schools of Middletown, and enjoy equal privileges with white pupils. This will soon be the case everywhere if the negro-loving Radicals are not checked in their fanatical career. Negroes will be thrust into the public schools, into the jury boxes, into the halls of legislation, and upon the benches of our courts, as is now the case in some of the Southern States. If the people want such a state of affairs here, they can accomplish it by voting to retain the Radical revolutionists in power.—*Patriot & Union.*

In the Radical stronghold of Allegheny county, the Republicans are as badly divided as in Lancaster county. The Pittsburg *Post* says:

"Many Republicans in this county will vote the Democratic ticket in its entirety. Others will vote for a ticket made up of names on both the Radical and Democratic tickets. The Democratic candidates, especially for Assembly, are so manifestly superior to their opponents, that we cannot see how any good citizen, in view of past occurrences at Harrisburg, can be prevailed on to vote against them. The *Ledger*, which occupies an independent position in politics, strongly advises Republicans to vote for Messrs. Sellers and McKee, in place of Smith and Beckert, whom it denounces as unfit for legislative position. We find this feeling as to be extremely prevalent with the moderate men of the Republican party."

A CALL UPON RESPECTABLE REPUBLICANS.—Now is the time for respectable Republicans to come out and proclaim their opposition to the radical party that is ruining the country.—*N. Y. Herald.*

A BALLOT cast for Judge Williams will be a vote for a partisan judiciary, for military despotism, for high taxes, for negro suffrage, for low wages, for high prices, for stagnation in business, for diminished production, for disunion, for ruin.—*Patriot & Union.*

GEN. Grant's father addressed an immense Democratic meeting at Cincinnati the other day.

Oporto Grape Culture.—This country is becoming noted for the enterprise of wine growers. New Jersey particularly, where the celebrated Port Grape Wine is made purely from the grape juice. The following letter from an eminent physician who lives in sight of Speer's vineyard, will be of interest to our readers:

Passaic, Oct. 20th, 1865.

I hereby certify that Mr. A. Speer of this village has a large vineyard of choice grape vines, which are looking very fine. He also purchases a great many grapes, not as yet producing as many himself as is required to keep his stock of wine full. He has the Port Grape, the wine of which is held in high estimation and of which he has a large quantity on hand lying in his cellars, requiring age before he disposes of it.

R. A. TERHUNE, M. D.

The above wine can be procured of our druggists.

FRIDAY AFTERNOON, OCT. 6, 1867.

LIMING LAND.

This practice, which is so common in British agriculture, is but little known in our country outside of New Jersey and Pennsylvania. In a recent visit to the grain growing districts of these States, we found lime as highly esteemed as manure, and a regular part of their rotation, as we have noticed elsewhere. Where lime can be had at ten cents a bushel and under, as it can in all the limestone regions of Pennsylvania, the practice is almost universal. It is used a good deal on farms, far distant from the lime-kilns, where it costs at the depot or canal twenty cents a bushel and upwards. The conviction of its utility in these States may be said to be universal, and if it is not used, it is either owing to the high price of the article, or to the fact that agriculture receives little attention.

It is applied by some to the sod immediately after mowing and this sod isturned under either in the fall or spring for corn. It is claimed that the lime stimulates the the growth of grass, and affects favorably every crop in the rotation. It would be impossible, without liming, to keep up the grain farms to the present degree of productiveness. It is also claimed for the summer application and the spring plowing, that it distributes the lime more equally, and keeps it near the surface. The lime which is carried down by the fall or winter rains, is brought to the surface again when the sod is inverted. By this method also, the lime has more time to act upon the inert material in the soil, and to prepare plant food for the subsequent crop. Other farmers are quite as certain that the best time to apply lime is upon the inverted sod in the spring, while the ground is preparing for corn. They want to keep the lime as near the surface as possible, and have no fears of its late action upon the crop. The quantity applied to the acre is from thirty to a hundred bushels, depending somewhat upon the character of the soil, the price of the lime, and the theoretical views of the planter. The better the soil, that is the more clay and vegetable matter it contains, the more lime it will bear. Some think a hundred bushels quite too much, and that so much has a tendency to turn the stalks yellow, and to diminish the yield. Smaller quantities, say from 30 to 50 bushels, are more commonly applied. The lime is usually brought from the lime-kiln or depot in its caustic state, and is dropped upon the land in heaps where it is to be used. It is there slaked by the application of water and is about doubled in quantity by this process. It is then spread as evenly as possible over the land. This makes a cheap dressing for the land even at twenty cents a bushel. The effect is very clearly marked where it is used. It keeps up the fertility of the soil, and makes remunerative crops even without manure. Of course, with manure the crops are larger and pay better. The question very naturally arises, if liming land will pay in other districts where it is not now used,—Without answering this question at once in the affirmative, we think the results in these States are such as to encourage every farmer who can get lime at a reasonable price to make the experiment. We have abundance of lime rock in regions where it is not burned at all. The conviction is quite common that it will not pay to use lime on limestone soils, but in Pennsylvania the effects of the application are quite as marked upon these soils as upon any other. Then it is supposed that it is a difficult and expensive process to burn lime. Very much of this article is made upon the farms where it is used whithout even a kiln for burning. The lime can be made by the most unskilled labor, and with the roughest and cheapest kinds of fuel. Wherever there is lime rock and cheap fuel, we have no doubt the lime can be furnished at less than twenty cents a bushel. In the vicinity of cities and large towns oyster shells accumulate in quantities, and can be put to better use than road making and grading. They are easily reduced with brush or peat, and afford cheap lime and generally of better quality than the rock yields. We desire to have the experiment made in other States on a scale large enough to settle the question. We belive many of our farmers will doubtless find it to their interest to use lime.—*American Agriculturist.*

PEPPER 'EM.—Those who are so unfortunate as to be troubled with bedbugs about their houses, may find a remedy in the following recipe which a lady sent to an exchange:—Add a quarter pound of Cayenne pepper to a pailful of boiling water, let stand and settle, when it is ready to serve. For papering walls, mix the same with flour paste, and the bugs will not nest under the paper.

Secure a Large Wheat Crop

BY USING

BAUGH'S RAW BONE PHOSPHATE.

WHICH contains by analysis of Prof. A. Snowden Piggott,

3.75 per cent. of Ammonia and
52.5 " " Bone Phosphate of Lime,

besides over 14 per cent. of Soluble Salts.

This article stands prominent on the list of valuable Fertilizers, years of trial having gained for it an enviable reputation.

Being made from Raw Bones, which contain all their original organic matter, it retains the

Durable Properties of Bone, and while it produces large crops, it renovates and permanently improves the soil.

A TRIAL OF IT IS ALL THAT IS NEEDED to convince any one of its great merits.

The public are cautioned against several spurious imitations of this article called "Raw Bone," "Raw Bone Phosphate," &c. Many Farmers have been greatly deceived by purchasing them. Be sure to inquire for BAUGH'S.

It is packed in Bags and Barrels, and is prepared in a fine powder suitable for drilling.

JOHN S. REESE & CO.,

Wholesale Agents for Company.

THE very extended use of this Guano throughout the country renders it necessary to say, more this season, than its *composition* and *quality* are precisely the same as that heretofore sold by us for the Company.

We have sold this Guano from the beginning under a proper system of rigid inspection, at an expense to the Company of many hundreds of dollars annually. This is done for the *protection* alike of the *consumer* and the *Company*, as it is manifest to all the undersigned the trade in fertilizers, that it cannot be safely conducted on any other principle. The importance and extent of the trade demands this protection.

We are prepared to exhibit Dr. A. Snowden Piggott's *certificate of inspection* for every cargo sold. Consumers must observe the name of JOHN S. REESE & Co. branded on the bags, none other genuine.

TO OUR CUSTOMERS.

WE take pleasure in announcing to Dealers in Fertilizers, and the Agricultural public, that we have within the past year increased our facilities for the manufacture of our RAW BONE PHOSPHATE, to an extent unequalled by any other House in the United States or Europe. These facilities not only include the enlargement of our old established works in Philadelphia, known as the DELAWARE RIVER AGRICULTURAL CHEMICAL WORKS, but also the purchase of the extensive chemical works at Chicago, Ill., with all the necessary machinery, cars, &c., to conduct the business. This establishment alone has produced, annually, over 5,000 tons of dried Bones and Meat, and is capable of being largely increased. We desire, by the closest supervision, to combine these two concerns so that our customers will derive a practical benefit from their consolidation, in obtaining a MANURE which shall maintain a standard and uniform quality, and at the lowest possible price.

The "Grover & Baker Stitch" and the "Shuttle Stitch" are points that have been attained by no other Machine. They are the only machines that sew and embroider with perfection. These Machines are peculiarly adapted to Family use. They are noiseless, sew directly from the spool without rewinding, and are simple in their construction. They are easy to manage, and can be worked by almost any child. Every family should have one. *They save labor, they save time, and they save money,* and do their work better than by hand.
